Additional Information

- (1) Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your eligible deposits would be repaid up to EUR 100 000.
- (2) If a covered deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum EUR 100 000 per credit institution. This means that all eligible deposits at the same credit institution are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with EUR 90 000 and a current account with EUR 20 000, he or she will only be repaid EUR 100 000.
- (3) In case of joint accounts, the limit of EUR 100 000 applies to each member. However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single member for the purpose of calculating the limit of EUR 100 000.
- (4) Reimbursement:
